**Site:** City Centre & Mile Cross

**Bible reference:** Ephesians ch5 vs8-20

## **Overview**

I want to stress the primary importance of our worship, showing from scripture why we worship, what that might involve, how the Holy Spirit wants to assist us, and how worship can and should impact our lives

## **Why is worship important?**

- What does Psalm 19 tell us about worship and what is our part?
- When you see stunning beauty, does it make you want to say something to someone?
- What things do people (you?) worship instead of God? What is the danger?

## **What should our worship look like?**

- 'Christianity is a singing faith' Discuss!!
- Should our worship be sober, restrained, reverent?
- Does worship involve more than singing?

## **What is the consequence of worshipping in the Spirit?**

- 'Worship in the Spirit changes what flows from our lives' In what ways?
- Eph 5 implies that singing in worship together encourages us. Why is that?
- 'Worship in the Spirit makes us more like Jesus'. Why? Hint: Psa 115, 2Cor 3:19
- Discuss how you could grow in your worship, and not just on Sundays!
